

Oakdene

FINISHES

CAPABILITY STATEMENT

Oakdene Finishes Ltd are one of London's leading high-end finishing companies, specialising in Decorating and French Polishing across Central London. We have worked on many of the iconic landmark buildings around the Capital and pride ourselves on delivering excellence.

Established in 2010, we have grown year on year and now lead a large team of experienced master craftspeople, dedicated to meeting our clients needs on budget, and on time.

Founder and Managing Director Dan Higgs has over 30 years of industry experience and is supported by a skilled team.

OUR CLIENTS & PROJECTS

Our client base covers many of London's well known brands, and industry leading main contractors. We confidently manage contracts of all sizes, values and timescales within London.

NVQ

OUR SERVICES

DECORATING

We are highly experienced, with decorating projects ranging in size. We provide everything from heritage approved lead paint removal to fully finished beautiful spaces. We cover all aspects from fast efficient spray finishing to fine hand rolled or brushed finishes.

FRENCH POLISHING

Our origins are in French Polishing, and our traditional polishers are trained in-house. We provide full traditional restoration services as well as the spot fix repair of modern surfaces.

PAPER HANGING

One of the skills that sets Oakdene apart from our competition is our ability to hang all types of wall covering. From Vinyl to Silk our team transform areas of all shapes and sizes and confidently work with a range of coverings.

FLOOR SANDING

Our polishing team are experienced in sanding and finishing wooden floors of all sizes. With 98% dust free floor sanders, we can restore original flooring with a multitude of finishes.

HEALTH & SAFETY

The safety of our team is of paramount importance. We invest in training our people in safe systems of work and instil a culture of health and safety throughout the business and our working sites.

WHY ARE WE DIFFERENT?

We focus on holistic outcomes. We form lasting relationships with our clients that allow us to deliver quality work, against budget and efficiently. Our ethos is underpinned by 4 pillars:

QUALITY

Whatever the service we are providing for our clients, the focus is always on quality.

RELATIONSHIPS

We want to build lasting partnerships with our clients. We believe relationships are formed by providing a quality outcome, through honest and transparent working processes and streamlined communication.

INNOVATION

We are not standing still. Our industry has immense opportunity for innovation, and we are continually investing in R&D. Our award-winning project management services are grounded in bespoke development of inhouse, cutting edge software designed to reduce inefficiency and improve transparency for our clients.

CONSCIENCE

We are a business with a conscience. We care about our people, and our environment. We strive to be an employer of choice, we are continually exploring ways to minimise our impact on the world around us and we take great pride in supporting our chosen charity partners.
